

About your organisation			
Name of the organisation:	WWF Indonesia		
Membership number:			
What is the primary activity or product of your organisation?	WWF-Indonesia is an environmental organization with two fold missions, to reduce ecological footprints and saving biodiversity for the benefits of nature and human beings. WWF-Indonesia's scope of primary activities relevant to RSPO are to halt deforestation through promoting best management practices, provision of enabling policy and alternate land use allocation tools in the palm oil sector .	Other, please specify	
Operations and certification progress			
Activities undertaken to promote sustainable palm oil to date	We are one of founding-fathers as well as ordinary member of RSPO; We conduct seminars, workshops and trainings to promote the development, production and consumption of sustainable palm oil to the stakeholders in Indonesia; We are involved in almost all RSPO working groups and we are heavily involved in producing the National Interpretation documents for Producer Companies, Nucleus and Independent Smallholders;		
Other information
