5.1 Outline actions that you will take in the coming year to promote the use of RSPO-certified sustainable palm oil and oil palm products along the supply chain.

Coles will continue to roll-out the use of palm oil labelling (i.e. identifying 'palm oil' as an ingredient rather than using the more general term 'vegetable oil'); and include statements on back of pack referencing support/contribution to sustainable palm oil. Coles will continue to work with our supply chain on the conversion of remaining non-food palm oil derivatives to sustainable sources from physical supply chain options.
