3. Time-Bound Plan
3.1 Year of first supply chain certification (planned or achieved).
2020
3.2 Year started/expected to start to handle/trade/process any RSPO-certified palm oil and oil palm products.
2025
3.2.1 If target has not been met, please explain why.
We have had great problems with the presentation of the LUCC studies since the analyzes presented have been rejected and the review times have been very extensive, the communication is deficient and the information about the requirements of the study are limited at least for our company.
3.3 Year expected to achieve 100% RSPO certification of all palm product processing facilities.
2025
3.3.1 If target has not been met, please explain why.
We are a Cooperative with multiple suppliers, for this reason it is not possible to integrate in the short term the group certification system so the process to achieve 100% compliance of all suppliers.

Processor and/or Trader Form
