5.1 Outline activities that you will take in the coming year to promote the use of RSPO-certified palm oil and oil palm products along the supply chain.

we will try to reduce costs differences between RSPO bases RM's and normal grades. This should make it more interesting for customers to use MB grades.

6. Non-Disclosure of Information

6.1 Information in the sections above are mandatory declarations in your ACOP. For confidentiality purposes, members
may choose not to display volume data in Section 2 publicly; however, RSPO reserves the right to utilise the member's
data on an aggregate basis for sectoral and total analysis. Please check this box if the member chooses to have the data
in Section 2 displayed publicly.

Yes - Display Publicly
