5. Actions for Next Reporting Period

5.1 Outline activities that you will take in the coming year to promote the use of RSPO-certified palm oil and oil palm products along the supply chain.

We will highlight to our buyers that we are now able to supply SG/MB CPKO, provided that we are able to source certified raw material from RSPO certified mills.

6. Non-Disclosure of Information

6.1 Information in the sections above are mandatory declarations in your ACOP. For confidentiality purposes, members may choose not to display volume data in Section 2 publicly; however, RSPO reserves the right to utilise the member's data on an aggregate basis for sectoral and total analysis. Please check this box if the member chooses to have the data in Section 2 displayed publicly.

No - Redact volume data

er:
significant issue to highlight
2 In addition to the actions already reported in this ACOP how has your organisation supported the vision of RSPO to asform markets in other ways?
☐ Engagement with business partners or consumers on the use of CSPO
☐ Engagement with government agencies
☐ Promotion of CSPO outside of RSPO venues eg trade workshops industry associations
☐ Promotion of physical CSPO
☐ Providing funding or support for CSPO development efforts
Research & Development support
☐ Stakeholder engagement
✓ Others
er:
have co-operated with our direct buyer and invited our direct suppliers to a workshop to share their progress on NDPE policies to map out their supply base. This directly supports the objectives of RSPO by improving existing operations and providing sparency and insight into the way business is currently done.
