5. Actions for Next Reporting Period

5.1 Outline actions that you will take in the coming year to promote the use of RSPO-certified sustainable palm oil and oil palm products along the supply chain.

We will intensify the contact with our suppliers on this subject. We will more actively monitor our suppliers on this theme with our own supply chain information management systeem (compliance checks). We also want to intensify the awareness internally for buyers and category managers.

#### 6. Non-Disclosure of Information

6.1 Information in the sections above are mandatory declarations in your ACOP. For confidentiality purposes, members may choose not to display volume data in Section 2 publicly; however, RSPO reserves the right to utilise the member's data on an aggregate basis for sectoral and total analysis. Please check this box if the member chooses to have the data in Section 2 displayed publicly.
