yet, we will take steps to obtain certification of our production plants where needed.

3.4 Year expected to only handle/trade/process 100% RSPO-certified palm oil and oil palm products
2025
3.4.1 If target has not been met, please explain why.
Kerry promotes the uptake of RSPO certified CSPO to customers across the world for the products we are selling to them. There are unfortunately still large regional differences in customer interest and we believe that for certain parts of our business it may take quite a few years until the markets are developed enough to accept the premium for CSPO.
3.5 Which countries do these commitments cover?
Applies globally
3.6 How do you proactively promote RSPO and RSPO-certified sustainable palm oil and oil palm products to your customers?
We share our palm oil policy, annual progress reports both internally as well as externally to customers and other stakeholders. We engage with our customer facing staff to explain the importance of CSPO to enable them to have an engaged discussion with customers. We provide regular internal & external updates on the projects which Kerry is active in with regard to palmoil
. Trademark Use
4.1 Do you use or plan to use the RSPO Trademark on your own brand products?
No
4.2.1 Please state the year when you began or plan to begin to apply the Trademark
-
4.3 Please explain why
☐ Challenging reputation of palm oil
☐ Confusion among end-consumers
☐ Costs of changing labels
☐ Difficulty of applying for RSPO Trademark
☐ Lack of customer demand
☐ Limited label space
☐ Low consumer awareness
☐ Low usage of palm oil
☐ Risk of supply disruption

5. Actions for Next Reporting Period

5.1 Outline activities that you will take in the coming year to promote the use of RSPO-certified palm oil and oil palm products along the supply chain.

We will continue our journey to "educate" our customer base on the importance of using palm oil which is not linked to environmental or social issues in the supply chain. Furthermore we will continue to raise awareness within our own Group of Companies through among others participation in on the ground projects to help & support smallholders in the growing regions.
