Challenges

1. Significant economic, social or environmental obstacles

With only one commercial oil palm plantation in Cambodia, MRICOP has strong commitment to explore what are the benefits of oil palm business distributing to the development of country and its people.

Thus, since the term of RSPO standard is really new for all people, especially staff and workers working towards the new environment, it is a bit challenges for its Management to make sure every requirement is in line with the RSPO P&C.

2. How would you qualify RSPO standards as compared to other parallel standards?

--

Cost Effective:

Yes

Robust:

Yes

Simpler to Comply to:

No

3. How has your organization supported the vision of RSPO to transform markets?

MRICOP has been encouraged all key stakeholders to engage with its business operations through:

- Welcome under graduate or fresh graduate students to study and research about oil palm businesses
 - Study trips from Government officials, business partners and customers
-
