5. Actions for Next Reporting Period

5.1 Outline activities that you will take in the coming year to promote the use of RSPO-certified palm oil and oil palm products along the supply chain.

Continuous discussion with customer and trade committees about the future of Sustainable Palm Oil. Continuous education internally to staff throughout our network to expose RSPO practices and principals to a wider swath of employees. We are also encouraging more members of our organization to join discussions and webinars about RSPO even if it doesn't apply to their departments so that a larger number of people are exposed to the issues.

6. Non-Disclosure of Information

6.1 Information in the sections above are mandatory declarations in your ACOP. For confidentiality purposes, members may choose not to display volume data in Section 2 publicly; however, RSPO reserves the right to utilise the member's data on an aggregate basis for sectoral and total analysis. Please check this box if the member chooses to have the data in Section 2 displayed publicly.
