Other:

In Germany it is requested standard today, so we have to be able to supply with CSPO. It is still a challenge to get also fractions of palm oil in RSPO SG quality in the requested volumes as well as emuslifiers. A trend is going away from palm oil to other oil fources, like soy, sun flower or coconut and rape.

fources, like soy, sun flower or coconut and rape.

10.2 In addition to the actions already reported in this ACOP how has your organisation supported the vision of RSPO to transform markets in other ways?

Engagement with business partners or consumers on the use of CSPO

Engagement with government agencies

Promotion of CSPO outside of RSPO venues eg trade workshops industry associations

Promotion of physical CSPO

Providing funding or support for CSPO development efforts

Research & Development support

Stakeholder engagement

Other:

We are informing our customers in detail about RSPO and support their ambitions to be certified as well.
