## Assessment

Planned assessment dates: **15<sup>th</sup>-17<sup>th</sup> December 2014**

The assessment will involve a team of auditors and technical experts. The auditor team will consist of:

- **Mr. Chaiyaporn Seekao:** He will be in charge as lead auditor for RSPO standard for Group Certification, environmental management, energy saving, agricultural and social aspect of the palm oil plantation.
- **Ms. Saowalak Thongsong:** She will be involved with auditing of environmental management, social aspect, health and safety and workers welfare issues in mill and plantation.
- **Associate Prof Dr. Benchamaporn Pimpa:** She is a technical expert for mill and plantation and good agricultural practices and Integrated Pest Management.

## Comments

Prior to the assessment, TÜV NORD Integra will be pleased to receive inputs of all relevant stakeholders, including statutory bodies, indigenous peoples, local communities, workers' organizations, smallholders local and national NGOs designed to ensure that all relevant issues concerning compliance of the applicant with the RSPO Criteria are identified such as environmental, social and ecological as well as legal aspects. A copy of the applicable RSPO standard for the country, in which the assessment is being conducted, is available from [www.rspo.org](http://www.rspo.org).
