5. Actions for Next Reporting Period

5.1 Outline activities that you will take in the coming year to promote the use of RSPO-certified palm oil and oil palm products along the supply chain.

We intend to increase the ratio of MB conversion for our palm entrances (this ratio was 64% for 2018). At the same time we intend to increase the number of sold ingredients under the MB certification. Also we investigate in back traceability to plantations. Finally, a new facility opening in US will be certified as soon as operations will start.

6. Non-Disclosure of Information
