Complete the process of sourcing only certified sustainable palm oil as a direct ingredient and also contained in other ingredients.

Only accept these palm oil containing ingredients from suppliers who have a chain of custody RSPO accreditation.

Prepare for Tangerine to undergo chain of custody audits against the RSPO standard. This will involve implementation of procedures at Head office and across manufacturing sites as well as training of appropriate staff.

Arrange for an approved audit body to carry out chain of custody audits at Tangerine sites in order to gain certificated accreditation to the RSPO standard. This will require an audit of Group processes together with a number of audits across our 6 manufacturing sites

Target is to complete chain of custody audit process by end June 2014 and at this time become fully compliant with RSPO standard.
