3.3 Year expected to be using 100% RSPO-certified sustainable palm oil and oil palm products from any supply chain option in your own brand products.
N/A
3.3.1 If target has not been met, please explain why.
We do not have a set target for 100% RSPO palm oil, taking into account local market conditions, other alternatives and mecanisms for promoting sustainability throughout the supply chain. We are working towards a zero deforestation supply chain at the moment which we feel is the key value driver in the palm oil industry, and continue to closely monitor other alternatives to promote sustainaibility with our suppliers.
3.4 Year expected to be using 100% RSPO-certified sustainable palm oil and oil palm products from physical supply chains (Identity Preserved, Segregated and/or Mass Balance) in your own brand products.
