by con import In our MB-ba oil der	inufacturer of washing and cleaning agents in powder form we have acquired an outstanding position among our competitors instantly modernizing our means of production and improving our quality. The board of management focuses on the ance of a balance between ecology, economy, safety and social stability. products we only make use of palm oil derivatives, which we purchase from certified suppliers. We regularly check our alance and give feedback to our customers and suppliers in how far we have achieved our goal using 100% MB-certified palmivatives by 2020. In 2016 we have started with a balance of 25% MB-certified. A clear progress is visible as we have reached to 90% MB-certified palm oil derivatives in 2018, of which we are very proud.
