5. Actions for Next Reporting Period

5.1 Outline activities that you will take in the coming year to promote the use of RSPO-certified palm oil and oil palm products along the supply chain.

We regularly review our raw materials to ensure that we are using the most appropriate raw materials to deliver the quality required across our range of products. As said, we have been a member of Roundtable On Sustainable Palm Oil organization since November 2018 in order to assure our consumers with the high-quality products that they expect. We also continuously work to improve our footprint and that of our supply chain as we strive to leave a happy world to future generations.

6. Non-Disclosure of Information
