Do you have any future plans to support independent smallholders?

No

## **Challenges**

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

the main drawback we have is related to producers and plantations, to achieve awareness in the axes of sustainability and RSPO principles and criteria, for this we have developed support strategies for our suppliers, in order to promote RSPO certification in the challenges of the global market

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Accompanying processes have been defined in the development of knowledge of the RSPO P & C standard, and compliance assessments of requirements to our suppliers.
