3. Time-Bound Plan

3.1 Year of first supply chain certification (planned or achieved)

2018

3.2 Year expected to/or started to use any RSPO-certified sustainable palm oil and oil palm products in your own brand products2020

3.2.1 If target has not been met, please explain why.

The market and consumer needs to be educated on the RSPO certified product. Palm Oil products in Africa and the Middle East are basic needs for the consumers, and the products are not able to carry any extra costs which is a direct result from using RSPO certified products in them. The only way is for the consumer to understand how essential it is to follow RSPO certification policies and products so they will accept this raise in its prices. We are in the process of a marketing campaign to increase consumers knowledge.
