3.1 Year of first supply chain certification (planned or achieved)

2013

3.2 Year expected to/or started to use any RSPO-certified sustainable palm oil and oil palm products in your own brand products2010

3.2.1 If target has not been met, please explain why.Arla has purchased green palm certificates/RSPO certificates to cover the volume of non-certified palm oil use

3.3 Year expected to be using 100% RSPO-certified sustainable palm oil and oil palm products from any supply chain option in your own brand products.2018

3.3.1 If target has not been met, please explain why.

From 2014, the ambition has been to reach 100% segregated certified palm oil products used in Arla Foods. Due to lack of availability of certified palm oil compounds in some complex products and challenges to find segregated certified palm oil in some regions, Arla has bought Green Palm/RSPO-credits to cover the use throughout the years. We report on progress on our palm oil sourcing ambitions in our CSR-report annually.

3.4 Year expected to be using 100% RSPO-certified sustainable palm oil and oil palm products from physical supply chains (Identity Preserved, Segregated and/or Mass Balance) in your own brand products.2018

7.2 What best practice guidelines or information has your organisation provided in the past year to facilitate the uptake of RSPO-certified sustainable palm oil and oil palm products? What languages are these guidelines available in?

All ordering of palm oil in Arla is made according to global contracts with preferred suppliers. The procurement department is responsible for all global contracts and is fully aware of and active in the dialogue with experts in CRS and supplier assurance on Arla's sourcing statement on palm oil. Arla brands and third party brands follow the same demands. In case a third party brand owner does not accept the use of RSPO-certified palm oil, Arla cover the use with RSPO-credits to fulfil our commitment. The guidelines are available in English that is our corporate language.
