If target has not been met, please explain why: By far, most of our customers are not RSPO certified. As a trader, we have to depend on the customer's requirement so we expected we would only trade 100% RSPO-certified palm oil and oil palm products by the year of 2024.
3.5 Which countries that your organization operates in do the above own-brand commitments cover?
Hong Kong
3.6 How do you proactively promote RSPO and RSPO certified sustainable palm oil and oil palm products to your customers?
We have been regularly talking to those customers who are yet to use the RSPO certified sustainable palm oil and oil palm products. We advised them how important of using RSPO materials in their consumption in order to contribute their environmental responsibility and also to upgrade their end product to meet the ongoing and future market needs. We also guided them how to be RSPO certified thru our past experience in obtaining the official RSPO certificate.

Trademark Use

4.1 Do you use or plan to use the RSPO trademark on your own brand products?
No
If target has not been met, please explain why:
By far, our customers never request for this.
Actions for Next Reporting Period
5.1 Outline actions that you will take in the coming year to promote the use of RSPO certified sustainable palm oil and oil palm products along the supply chain
We will continue what we are doing and also be sourcing more RSPO materials to encourage our customers to increase the consumption from more product options. We would also provide relevant technical support of using the RSPO materials.

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Economic factor is also the biggest barrier for us to promote the use of RSPO materials. We need a sound and strong economy to absorb the supply chain premium and support the consumer markets.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We support the vision of RSPO thru the business to business education.
