Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

We don't have any significant economic, social or environmental obstacles that we encountered in the production, procurement, use and/or promotion of CSPO but we only have a problem about raw material (CSPO) is inadequate in Thailand. We made to mitigate or resolve by negotiation with our suppliers for asking sharing from other required manufacturers.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Our organization supported the vision of RSPO to transform markets in other ways by engagement of key suppliers through approved vendor list registration.
