Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

We have adhered to the rules of the RSPO for the year since our first audit and have been audited again successfully in 2016 so that we can remain a member and supply to our member customers.

2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We have shared our commitment to using RSPO certified products with our suppliers and we have also included our membership of the RSPO in our Environment Policy within our Quality Management System. We have also put our RSPO certificate in our reception to be viewed by all staff and visitors.
