Stakeholder engagement

None of the above

7.2 What best practice guidelines or information has your organization provided in the past year to facilitate the uptake of RSPO certified sustainable palm oil and oil palm products? What languages are these guidelines available in?

Comment:

Goodman Fielder has developed an RSPO Awareness training module that is delivered to staff annually (including staff involved in customer and supplier communications). We engage with relevant suppliers to reaffirm our commitment to CSPO and ensure the ongoing compliance of ingredients supplied.

GHG Footprint

8.1 Are you currently reporting any GHG footprint?

Yes

Support for Smallholders

9.1 Are you currently supporting any independent smallholder groups?

No

Do you have any future plans to support independent smallholders?

No

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Cost and availability of segregated and identity preserved certified ingredients continues to be a challenge across the range of products and geographies. Our supply chain certification covers mass balance and segregated options and we continue to work with suppliers on availability.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Goodman Fielder is represented on the Sustainable Practices Committee of the Australian Food and Grocery Council. Senior management conducted a palm oil plantation visit in Sabah, Malaysia during 2017.
