Support for Smallholders

No

9.1 Are you currently supporting any independent smallholder groups?
No
Do you have any future plans to support independent smallholders?

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

In order not to store two types of RSPO palm oil, we decided to buy only segregated palm oil . So we have increased our purchase price and decreased our margin

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)
