## Challenges

**1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?**

The cost acceptance remains the biggest hindrances to RSPO related products.

---

**2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)**

We have listened to some of our consumer customers who in a particular way are helping to lead the push toward sustainability. Magnakron has sought to build upon these discussions in a constructive way that can help lead to the broader acceptance of RSPO products that is sustainable for the environment and sustainable economically.
