**5. Actions for Next Reporting Period**

**5.1 Outline activities that you will take in the coming year to promote the use of RSPO-certified palm oil and oil palm products along the supply chain.**

ISF believes that the best strategy to ensure continued success is to conduct our business in a socially responsible, economically viable and environmentally sustainable manner throughout our operations and supply chain. Therefore, ISF has established sustainable palm oil policy and environmental policy since 2017 and 2018 respectively to ensure external and internal environment

Together with international standards and our multi-stakeholder partnerships, we are adopting No Deforestation, No Peat, No Exploitation (NDPE) Policy to mitigate deforestation, peat development and exploitation throughout our entire supply chain. We also require our suppliers from whom we purchase or with whom we have a trading relationship to comply with the policy and code of conduct.

In addition, ISF will continuously to source certified sustainable Crude Palm Oil for our refineries from RSPO certified suppliers to our customers.
