**5. Actions for Next Reporting Period**

**5.1 Outline activities that you will take in the coming year to promote the use of RSPO-certified palm oil and oil palm products along the supply chain.**

The supply chains of our suppliers are for almost 100% already certified and according to their expectation and ACOP reports from the year 2017, they will reach 100% by 2020. Depending on availability, we are with that already able to deliver RSPO certified palm oil and oil palm products as well as corresponding derivatives. The certification of our production facility in November 2016 was the next step towards our goal of the ability of providing RSPO certified products and with that, sustainable products to the market. We will continue our campaigns around sustainability towards our customers, based on customer demand.
