### Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

The major stumbling block is customers refusing to accept price premiums for RSPO certified oils. Availability of SG for special fractions

2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Peerless engage in biennial internal RSPO training that covers the RSPO Guidelines and policies
