---

### Actions for Next Reporting Period

**2.1. Outline actions that will be taken in the coming year to promote sustainable palm oil.**

Conducting RSPO certification process for RSPO members (Grower) to produce sustainable product

---

## Challenges

### **1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?**

Significant obstacles: 1. Lack of smallholders who know and understand the importance of management in producing sustainable palm oil. 2. The various interpretation of RSPO standard among Certification Body, Certificate Holder/member in certification process and Accreditation Body Effort that can be done: 1. Intensive coaching to smallholder by introducing the importance of management in producing sustainable palm oil such as through the promotion or understanding by organizing workshops or seminars specifically for smallholders. 2. A forum for the three stakeholder (Certification Body, Certificate Holder/RSPO member and RSPO Accreditation Body) to standardize the interpretation of RSPO Standard

---

### **2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)**

Our organization support the RSPO vision by carried out the workshop or seminar event to smallholders, institution and growers regarding sustainable product through RSPO.
