No
Do you have any future plans to support independent smallholders?
No

Challenges

- 1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?
- 1. Unwillingness of customers to pay premium price for the certified product. 2. Non-availability of certain palm oil derivatives in RSPO certified form. 3. Poor awareness of RSPO at customer side.
- 2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We have been actively engaged in business to business education.

- 3 File -Please attach or add links to any other information from your organisation on your policies and actions on palm oil (EG: sustainability reports, policies, other public information)
