## Supply Chain Associate

### Operational Profile

#### 1.1. What are the main activities of your organisation?

We sell raw materials to Cosmetic Manufacturers in France mainly but also Monaco, Belgium, Luxembourg and Switzerland

---

#### 1.2. Activities undertaken to promote sustainable palm oil, the RSPO and/or members in the reporting period

We promote the use of sustainable palm oil to the raw material manufacturers we work with. We participate to the NRSC group (Natural Resources Stewardship Circle) whose aim is to help to move to the use of sustainable palm oil through workshops around issues of traceability, sustainability and certification and through various information on the subject

---

#### 1.3. Do you have any collaborations with the industry players/private sector to support them in the market transformation towards CSPO?

Yes

---

##### If yes, please give details:

see 1.2 answer : NRSC gathers cosmetic manufacturers like Estee Lauder, Chanel, Pierre Fabre, Yves Rocher etc and raw material distributors in order to enhance the move towards CSPO

---

##### If not, please explain why:

--

---

#### 1.4. Did members of your staff participate in RSPO working groups/taskforces in the reporting period?

Yes

---

#### 1.5. What percentage of your organization's overall activities focus on palm oil?

50

---

#### 1.6. How is your work on palm oil funded?

By our own

---

### Actions for Next Reporting Period

#### 2.1. Outline actions that will be taken in the coming year to promote sustainable palm oil.

We will go on promoting the use of sustainable palm oil (as the results are positive) and go on participating to NRSC group. We will also follow with attention the works of RSPO on the progress of the RSPO next project.

---

## Challenges

**1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?**

Economic obstacles essentially as customers want to move to RSPO quality without price increasing

---

**2 How would you qualify RSPO standards as compared to other parallel standards?**

--

---

**Cost Effective:**

Yes

---

**Robust:**

Yes

---

**Simpler to Comply to:**

Yes

---

**3 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)**

By pushing our manufacturers to use RSPO quality

---

**4 Other information on palm oil (sustainability reports, policies, other public information)**

SACI-CFPA is Ecovadis (silver) certified for 2016 - this is the testimony of our engagement facing CSR globally
