Actions for Next Reporting Period

2.1. Outline actions that will be taken in the coming year to promote sustainable palm oil.

We will be working with our customers to include packaging declaration for CSPO and our membership/commitment to the RSPO.

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Our customers specified that we needed to use CSPO as they were members of the RSPO. We have adhered to the rules of the RSPO for the year since our first audit and have been audited again successfully this year so that we can remain a member and supply to our member customers.

2 How would you qualify RSPO standards as compared to other parallel standards?

--

Cost Effective:

Yes

Robust:

Yes

Simpler to Comply to:

No

3 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We are talking to our other customers about the RSPO and it's work and benefits to the environment. We have also included our membership of the RSPO in our environmental policy statement within our quality management system.
