No

Do you have any future plans to support independent smallholders?

No

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Technical expertise and lack of knowledge around the accreditation to achieve the desired standard are barriers to entry. However to mitigate these limitation Young's have undertaken internal training days to expand staff knowledge and educates Young's suppliers with RSPO practices.

2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

RSPO is a recognised Food Industry Standard which Young's approved suppliers have adopted as a accreditation. RSPO is now a mandatory standard when sourcing new raw material.
