<b>Further information on your organisation's commitment to sustainable palm oil</b>	As a founding member of RSPO we are fully committed to the RSPO organisation and to the support of the certification program as prescribed by the Principles and Criteria of the RSPOI. Our objective is to fully certify all of our holdings according to our Time Bound Plan. We also commit to initiating certification of any new holdings that are acquired or developed.		
	In our downstream business, Loder Croklaan America welcomed first bulk shipment of fully segregated CSPO in February. We are continuously stimulating our customers to source CSPO rather than conventional PO. We invest in helping customers to understand the RSPO supply chain options, assisting them in building their palm oil sustainability strategy.
