All Cardowan Creameries products contain Palm Oil.

Cardowan Creameries is an RSPO member and has gained approval to use RSPO Certified Segregated Sustainable Palm oil for both the segregated and mass balance supply chain options.

Details of our membership and approval are available at www.rspo.org

Cardowan Creameries systems have been audited and accredited by BM Trada on behalf of the RSPO for the manufacture of Margarine, Bakery & Frying Fats containing RSPO certified Palm oil.

Cardowan Creameries requires to use Palm Stearin (Hard fraction Palm Oil) in all our Margarine, Shortening & Breadfat formulations to ensure that our products perform correctly. This has only recently become available in RSPO Certified Segregated Sustainable form and, following plant trials, has been approved as suitable in certain products.

Products made using RSPO Certified Segregated Sustainable Palm oil are identified by 'logo tape' used to seal the boxes.

Each delivery note and invoice sent for goods made using sustainable Palm Oil is stamped with the following statement 'Palm oil products used in these goods are from entirely Certified Segregated Sustainable Sources'

Each Box is taped with Logo tape stating 'Made with RSPO Certified Sustainable Palm Oil'.

The specifications state that the products are 'Made using only RSPO (www.RSPO.org) certified Sustainable Palm Oil.'
