About IBD

IBD is proud to be the largest certification body in Latin America and the only Brazilian certifier of organic products with IFOAM (international market), ISO Guide 65 (European market-CE 834/2007), Demeter, USDA / NOP (US market) accreditation.) and INMETRO / MAPA (Brazilian market), which makes its certificate have worldwide acceptance.

In addition to organic certification protocols, IBD also offers social and environmental certifications: RSPO (Roundtable on Sustainable Palm Oil), UEET (Union for Ethical BioTrade), EcoSocial All Fair, 4C Association, RainForest Alliance / Sustainable Agriculture Network.

Public consultation

The public consultation process is one of the main stages of the RSPO certification process, and gives the possibility to interested parties, related or affected by the company, to demonstrate and present their views. With this in mind, the IBD invites interested parties to provide, in writing, any information relevant to the audit to be held at LA INDUSTRIA DE JABONES Y DETERGENTES LAS PALMAS, S. A., especially in relation to environmental, labor and social issues. We are open to positive and negative feedback. Among the topics that could be discussed, but not limited to, are:

- Environmental: Compliance with current legislation, conservation of biodiversity, protection of the environment, and others.
- Labor: Respect for the rights of workers, employment opportunities, and others.
- Social: The impacts on the local community, the relationship with the communities, transparency with it, and others.

These and other topics that may be considered relevant can be addressed to:
