Operational Profile

1.1. What are the main activities of your organisation?

Gallagher's is a bakery that produces standard gluten breads, rolls and baps, dry bakery mixes, breadcrumbs, gluten free breads and gluten free confectionary.

1.2. Activities undertaken to promote sustainable palm oil, the RSPO and/or members in the reporting period

All suppliers of RSPO certified materials must supply to us either the segregated or mass.

1.3. Do you have any collaborations with the industry players/private sector to support them in the market transformation towards CSPO?

No

If yes, please give details:

--

If not, please explain why:

We are a private company and do not have collaborations with industry players.

1.4. Did members of your staff participate in RSPO working groups/taskforces in the reporting period?

No

1.5. What percentage of your organization's overall activities focus on palm oil?

50

1.6. How is your work on palm oil funded?

All our palm oil containing ingredients are purchased by the Purchasing Manager for the site.

Actions for Next Reporting Period

2.1. Outline actions that will be taken in the coming year to promote sustainable palm oil.

We are a member of RSPO and all palm oil containing ingredients purchased are either SG or MB supply chain. Any changes to RSPO will be updated in our RSPO procedure and trained to the relevant staff.

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

We are currently replacing the lighting throughout the factory with LED lighting to save energy and reduce our carbon footprint. We also have put in heat exchangers for heating hot water.

2 How would you qualify RSPO standards as compared to other parallel standards?

--

Cost Effective:

No

Robust:

No

Simpler to Comply to:

Yes

3 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Some customers want use the use certified palm oil only in their products.

4 Other information on palm oil (sustainability reports, policies, other public information)

Public information.
