Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Education of the industry on the RSPO Sustainable Palm Oil is key. There is much mis-information in the industry and confusion from media, public and manufacturers alike. It is here that the demand for the sustainable palm oil products is urgently needed to be fostered.

2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Working with individual customers. Presentation and exhibiting at trade organizations and shows.
