Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Some suppliers of raw materials are only able to deliver Special goods in MB-Quality. We work for a solution to change into SG. If this is not possible we plan to replace PO-Derivates.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

RSPO is an important element of sustainability activities. They will be communicate internally and externally.
