Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Certified Palm Oil derivatives are not available in India. We are advising our suppliers to obtain certification for their products.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We are planning to import certified palm oil derivatives. We are also advising our suppliers to obtain certification for their products.
