No

Please explain why

We have no legislative or customer obligation to do so.

Support for Smallholders

9.1 Are you currently supporting any independent smallholder groups?

No

Do you have any future plans to support independent smallholders?

No

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

We have met some doubts from customers regarding recent public health alarms due to content of 3-MCPA , Glycidyl esters etc from palm oil in food products(biscuits, infant formulas etc). We only hope that this is one in a long list of food hazards alarms popping up all the time.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

No. We are only a very small organization with focus on manufacturing products that meet our customers demands
