- 

6.2 Where relevant, what prevents you from trading/processing only CSPO?

Lubrizol is responsive to market conditions and is taking steps toward using and offering responsibly sourced palm and PKO products. We are working with our suppliers to identify sources and volumes at certification levels that meet our customer needs. To achieve certification sources at the highest level (segregated, identity preserved) will depend upon the ability of our supply chain partners' ability to supply the needed quantity at a price that is viable for us and our customers and their customers.

---

## Commitments to CSPO uptake

Congratulations, your commitments to CSPO uptake is already 100% certified

---

7.1. Do you have plans to immediately cover the gap using Book & Claim?

Yes

How and when do you plan to immediately cover the gap using Book & Claim?

Yes, we will use book and claim on an annual basis to cover the gap.

---

## Challenges

### 1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

To achieve certification sources at the highest level (segregated, identity preserved) depends upon the ability of our supply chain partners' ability to supply the needed quantity at a price that is viable for us and our customers and their customers. To date, there is not enough supply to meet our needs and it is not at a price that can be supported by customers.

---

### 2 How would you qualify RSPO standards as compared to other parallel standards?

--

---

#### Cost Effective:

Yes

---

#### Robust:

Yes

---

#### Simpler to Comply to:

Yes

---

### 3 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We have engaged with our suppliers to understand their RSPO types of practices and also engage with our customers to transfer this communication through the supply chain.
