COMPLAINTS PANEL MEETING MINUTES

20 October 2016 | 3.30pm – 5.30pm | Meeting No. 10/2016

Meeting location: *RSPO Secretariat Office, 37 Floor, Menara UOA, Bangsar, Kuala Lumpur, Malaysia*

The RSPO Code of Conduct for members :

“5. Breaches of this Code

5.1 Members will seek to resolve grievances directly with other member organisations in a timely fashion, and will not make unsubstantiated allegations of breaches against other members.

5.2 Breaches of this Code, or the by-laws and statutes of the RSPO may lead to exclusion from the organisation.

5.3 Prior to taking public action in cases of unresolved allegations of breaches of this Code, members will report breaches to the Executive Board, which will deal with the alleged breaches in accordance with the RSPO Grievance Procedure.

5.4 Executive Board Members who are found, after due inquiry, to have breached the Code, will be replaced.

What RSPO can do to prevent non-compliant members from selling to non-RSPO members certifiable units where there are severe RSPO Compliance problems?

22 August 2016

Although suspension of certification may not have a great impact on smaller companies who are less advanced in their progress on certification, it could have a significant effect on larger companies. It was suggested that in cases where companies dispose of non-compliant units, in addition to possible suspension of the disposing company, the RSPO also consider introducing a Note of Reprimand or Note of Censure, to be published on the website. This may also be relevant for other misdemeanours which may not merit suspension but certainly merit a public reprimand.

20 October 2016

Secretariat to discuss internally with the Technical Team and inform the updates at the next meeting.
