Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

as a trader, we are ready to supply 100% CSPO to our customers. however, we have encountered that our customers do not have enough acknowledgement of RSPO and importance of RSPO, so we have had seminar of RSPO to our customers.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

we took to our customers to plantation tour in malaysia, and also visited RSPO office with our customers.
