No

Please explain why

--

---

## Support for Smallholders

9.1 Are you currently supporting any independent smallholder groups?

No

Do you have any future plans to support independent smallholders?

No

---

## Challenges

### 1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

The main challenge we are facing with our customers is that although they understand RSPO principles, they do not wish to bear the premiums forced over conventional prices. Especially when this applies to laurics.

---

### 2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Engagement with main market players (i.e. multinational companies as customers).
