## Challenges

### **1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?**

There are challenges around derivatives being extremely expensive or just not available in the non food market. We are continuing to work with our suppliers on understanding and overcoming these issues.

---

### **2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)**

Going beyond our sustainability report which is industry focused, we have written a blog which is focused on increasing customer understanding of palm oil <https://blog.coop.co.uk/2016/09/22/palm-oil-update/> We also participate in and are members of the Retail Palm Oil Group in Europe. We meet to discuss and find collective solutions in transforming the market. Through this we have also been members of the Retail Palm Oil Transparency Coalition which engages with and encourages first importers of palm oil to increase their transparency and uptake of certified palm oil
