Please explain why

In order to continue to build trust in our brands, we use certifications as an endorsement to the sustainable practices that are required for our sourcing policies. Consumers can learn about the sustainability requirements on our product or corporate websites, including information on our support and use of certified palm oil by the RSPO.

Actions for Next Reporting Period

5.1 Outline actions that you will take in the coming year to promote the use of RSPO certified sustainable palm oil and oil palm products along the supply chain

1. In 2014 we disclosed our Palm Oil Sustainability Principles, and each year we report updates as part of our Corporate Responsibility Report.
2. We will remain involved with the RSPO in promoting the P&C's with our suppliers of palm oil.
3. Since we have achieved 100% certified palm oil for our direct purchases we will work with our strategic suppliers to further supply chain transparency.
