No

Please explain why

We do not have greenhouse facilities since we are a refinery and processing of palm oil products.

Support for Smallholders**9.1 Are you currently supporting any independent smallholder groups?**

No

Do you have any future plans to support independent smallholders?

No

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

Since we only obtained our MB certificates in Dec 2017, we didn't start any communication about it. We shall monitor 2018 while we promote the use of RSPO certified Palm oil in our products and analyze the impact it might have.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We are approaching our key accounts (Business to Business) to promote the vision of RSPO. Our marketing team is preparing a campaign to promote RSPO in our products for 2018 and 2019.
