Support Smallholders

9.1 Are you currently supporting any independent smallholder groups?
Yes

9.2 How are you supporting them?
The Univanich-Plaipraya Community Enterprise Group has been supported by Univanich Palm Oil PCL. The company has assisted 247 independent smallholders to become RSPO certified with 1,376 Ha planting area.

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

(1) Propaganda against Mass Balance and Book & Claim trading of CSPO, mounted by large plantation companies and by large corporate manufacturers who emphasise the essential importance of complete traceability, is damaging to sustainable small producers and small farmers attempting to sell their certified mass balance palm oil in international markets. (2) Thailand's independent smallholders are converting their farms from other agricultural uses (eg. from coconuts, rubber etc). There is no clearing of forest land to plant oil palms in Thailand, and yet the cost and bureaucratic difficulty of achieving RSPO certification remains a major obstacle for these small independent growers. (3) With 87% of FFB produced by independent smallholders, and with such limited market incentives, smallholder certification is a costly challenge. Our company has assisted 247 independent smallholders to become RSPO certified and we have another 60 smallholders in the pipeline this year.

2 In addition to the actions already reported in this ACOP how has your organization supported the vision of RSPO to transform markets in other ways? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

Many media releases and conference presentations from our company highlighting importance of sustainability. About 80 groups of farmers, students and Govt officials visit the company's Oil Palm Research Center each year where RSPO and the importance of sustainability is explained. Participation in the RSPO Board of Governors and RSPO sponsored events throughout the year.
