5.2 Map data declaration

GHG Emissions

6.1 Are you currently assessing your operational GHG emissions?

No

Please explain why: Adaptations are required to the

Actions for Next Reporting Period**7.1 Outline actions that you will take in the coming year to advance your plans for certification**

Results of our RSPO mock audit has clearly outlined some few challenges in some areas of our systems in place . This has prompted us to have a step by step look in those areas giving us the opportunity to put in place measures that will help close out those non conformities whiles ensuring that those other areas that were commended are further improved. In addition continues education and other good practises of our systems will further create a sustainable environment which will intern improve our level of commitment to the RSPO P&C. We also intern to continue with the adoption and implementation of the RSPO P&C's as operations compulsory task.

7.2 Outline actions that you will take to promote CSPO along the supply chain

We intern to promote various trainings to promote CSPO

Reasons for Non-Disclosure of Information**8.1 If you have not disclosed any of the above information, please indicate the reasons why**

Support Smallholders**9.1 Are you currently supporting any independent smallholder groups?**

Yes

9.2 How are you supporting them?

We providing technical training in collaboration with selected partners in areas that include sustainable best practises in oil palm cultivation to all our independent out growers.

Challenges

1 What significant economic, social or environmental obstacles have you encountered in the production, procurement, use and/or promotion of CSPO and what efforts did you make to mitigate or resolve them?

2 How has your organization supported the vision of RSPO to transform markets? (e.g. Funding; Engagement with key stakeholders; Business to business education/outreach)

We continue to engage our stakeholders in the implementation of our policies and in the process create awareness on the various RSPO P&C's that ensure sustainability.
